

SMOKY ROSE
CELLARS

2022 Sparkling Rosé of Pinot Noir

Vineyard

Breezy Slope Vineyard is prime wine grape land. While only 5 acres, this vineyard is located at the highest elevation in the entire Walla Walla AVA, at 1,780 feet! No irrigation is required, and they don't spray the vines with chemicals so the grapes grow and speak for themselves. This vineyard is one of the only (and best) Pinot games in town so naturally Josh would go to them for his favorite varietal!

Winemaker Notes

"This is not the first sparkling wine I've made but it is the first Rosé. Breezy Slopes is a great site for sparkling wine grapes with the cooler temps and higher elevation. I wanted a sparkling with more fruit flavors than lees but I am a traditionalist so it still needed to be a Methode Champenoise. I couldn't be happier with how this one turned out and want to keep making this one since it's so different from our Blanc de Blancs."~ Joshua Roznowski

Tasting Notes

We weren't happy with making only one sparkling wine so get ready for this one! Still made in the traditional methode with no dosage, this 100% Pinot Noir Sparkling Rosé makes every occasion a party! Bright strawberry and cream flavors, this wine is perfect for brunch dates and holiday parties!

Technical Data

WINEMAKER: Joshua Roznowski

APPELLATION: Walla Walla Valley

VARIETAL COMPOSITION: 100% Pinot Noir

ALCOHOL: 12.0%

PH: 3.45

TA: 7.7 g/L

BOTTLING DATE: October 2023

CASES BOTTLED: 45 cases

PRICE • \$40
