2020 100% Stainless Steel Chardonnay

Vineyard

E'ritage, although a young vineyard, has a lot of potential and is already producing incredible fruit. Managed by a fellow WWCC alumni, these fertile hills are packed full of the terroir that has earned the Walla Walla Valley a place among the leading wine regions of the world. The plan was to showcase the versatility of Chardonnay in 2020 so we chose a single block (Block 19) and did two picks...one for this Stainless Steel version and the other for a 100% New French Oak version.

Winemaker Notes

"My wife claimed to never like Chardonnay so at brunch years ago, I ordered her a glass of Chablis and she was hooked. My hope with this one was to recreate that memory for her...to remind her that not all Chardonnays are big oak bombs. I wanted nice, crisp acidity and a touch of minerality, layered with delicate fruit flavors. Chardonnay in one of its truest forms." ~ Joshua Roznowski

Tasting Notes

This is everything you want on a warm day and is best served chilled. The aromas of freshly cut cantaloupe and pineapple are powerful and leap out of the glass while the palate offers refreshing and mouth-tingling flavors of lemon and lime finishing with a hint of minerality that keeps you going back for more. Drink 2022-2025.
