## 2021 Stinger71

### Vineyard

The Grenache and Mourvèdre for this GSM blend come from Los Rococos Vineyard, a "Rocks District" site that is showing huge potential. Our Syrah once again comes from E'ritage Vineyard where we have sourced from since our first harvest. We love the Syrah coming from this vineyard so it was a natural choice. Both vineyards are packed full of the terroir that has earned the Walla Walla Valley a place among the leading wine regions of the world.

### Winemaker Notes

*"I always set out to make the wine varietally...meaning make the Syrah as a Syrah should be and the same with Grenache and Mourvedre. Putting the blend together is all about balancing the acidity and delicateness of the Grenache with the meatiness and weight of the Syrah while managing the "funk" of the Mourvedre so it doesn't overpower the others. I think we nailed it." ~ Joshua Roznowski*

### Tasting Notes

A tribute to Amy's time as a Cobra helicopter pilot in the Marine Corps, it is always our intent to make this your favorite party wine. Perfectly balanced and easy to drink is the name of the game here and we couldn't be happier with this vintage. The Grenache in the 2021 is dominant on the palate which makes it a fabulous summer sipper. The body is full, the aromas are powerful, and the lingering palate of stewed fruits, roasted tomato, and ghee make this vintage one for the record books!
