2022 Rosé of Cabernet Franc

Vineyard

E'ritage, although young, has amazing potential and is already producing incredible fruit. Managed by a fellow WWCC alumni, these fertile hills are packed full of the terroir that has earned the Walla Walla Valley a place among the leading wine regions of the world. We loved our 2021 vintage of Rosé Eritage Vineyard so we stuck with it in 2022. Eritage is a warmer site so the fruit can get really ripe which produced some very ripe Cabernet Franc and as a result, a very fruit-forward Rosé.

Winemaker Notes

"My two favorite varieties to make Rosé with are Pinot Noir and Cabernet Franc. I always pick for Rosé intentionally...I don't like to bleed off of a red wine ferment as it really changes the profile. This vintage of Rosé was stylistically perfect. The biggest surprise (in a good way) was the amount of color we got. It is a perfect salmon with only a 15 minute cold soak."~ Joshua Roznowski

Tasting Notes

Our 2021 vintage was so popular that we decided to do it again...only better! Juicy strawberry and watermelon flavors that explode on the palate combine with great acidity to make this the perfect complement to a strawberry feta salad with balsamic vinaigrette or a spicy Thai dish. Drink 2023-2026.
